SCHOOL TERMS AND THEMES

At LMIPA, an academic year is divided into school terms, each with their own color and own theme. Below you'll find an overview of each period, including start and end times.

Term A	From the beginning of the dancing season until the autumn break	This school term is blue to indicate a beginning, like all life began in the sea long ago, and like a bright blue sky brings a new day full of excitement. Pupils learn about their curriculum and their future skills, and often get to know new teachers and classmates.
Term A+	Autumn break	Autumn break schedule
Term B	From the first week after the autumn break until the Christmas break	This term is red to symbolize assimilation, the warmth of getting together, like we would under a Christmas tree.
Term B+	Christmas break	We are closed. However, if you can't sit still during the holidays, check out our WinterDays (more information on our website).
Term C	From the first week after the Christmas break until the spring break	This term is purple, because it combines blue and red; in the same way, we apply what we learned to create something new.
Term C+	Spring break	Spring break schedule
Term D	From the first week after the spring break until the May vacation	This term is green to signify growth and creation of new things. Students develop as artists and people, and are ready for new challenges that await them in term E.
Term D+	May vacation	May vacation schedule
Term E	From the first week after the May vacation until the summer break	The last term is yellow to symbolize harvest, the integration of everything students learned to present it all to the rest of the world as a full-grown artistic project.
